Arjun Pandian

Portfolio Link Tamiladu, India

SUMMARY

Grade 12 student and school topper with strong academic performance in Mathematics, Physics, and Computer Science. Passionate about robotics, electronics, and practical engineering, with hands-on experience developing microcontroller-based devices and motorised prototypes. Accomplished competitive tennis player with multiple CISCE regional titles and national-level participation. Aspiring engineering student interested in robotics, electronics, and technology-driven problem-solving.

EDUCATION

Chettinad Hari Shree Vidyalayam, Chennai, India

Grade 12, (ICSE) 2027

Subjects: Mathematics, Physics, Chemistry, English, Computer Science

Grade 11(ICSE) 2026

Mathematics: 81, Physics: 90, Chemistry: 83, English Language: 88, English Literature: 88, Computer Science: 93

Grade 10 (ICSE) 2025

Mathematics: 99 | Science: 98 | Social Studies: 98 | English: 95 | Computer Science: 95 | Tamil: 93

EXPERIENCE

SSN College of Engineering, Chennai: Microcontroller Project Intern Apr – May2026

- Learned the fundamentals of microcontroller operation and their applications in electronic systems.
- Built a temperature recording and logging device using a microcontroller, gaining practical experience in electronic hardware.
- Applied concepts of microcontroller-based systems to develop a functional electronic project.

HONORS

- CISCE U-19 Lawn Tennis: 1st in zonal singles and doubles; 3rd in regional singles and 2nd in regional doubles; reached national singles pre-quarterfinals representing Tamil Nadu. 2026
- UTR Rating of 6.37 2026
- School Athletics: 1st place in shotput, 1st place in 400-metre relay, 2nd place in 200-metre dash 2026
- CISCE U-17 Lawn Tennis: 1st in zonal singles and doubles; 1st in regional singles and 2nd in regional doubles; reached national singles quarterfinals representing Tamil Nadu. 2025
- AITA CS-7 U-16 Ranking Tournament: Semifinalist in doubles. 2025
- School Athletics: 1st place in the 400-metre relay race. 2025
- Recognized among Grade 10 board exam toppers (Best of 5); featured on the school website 2025
- CISCE U-17 Lawn Tennis: 3rd in regional singles; represented Tamil Nadu at the CISCE National Championships. 2024
- School Athletics: 3rd place in the 200-metre dash and 3rd place in an open athletics event. 2024

PROJECTS

Remote-Controlled Car with Web-Based Control 2026

Independent Electronics Project

- Designed and built a remote-controlled car from scratch by assembling individual electronic and mechanical components.
- Developed a control mechanism that allowed the car to be operated through a website accessed on a mobile phone.
- Integrated electronic components and motorised movement into a functional remote-controlled vehicle.

Motorised Vehicle and Aircraft Prototypes 2023

Independent Engineering Projects

- Constructed motorised prototypes, including model motorbikes and a propeller aircraft model.
- Explored mechanical movement, motor operation, and basic principles of electronic model construction through hands-on experimentation

SPORTS AND EXTRACURRICULARS

Competitive Lawn Tennis 2015 – Present

- Trained consistently in competitive tennis for over ten years, focusing on technical skills, match strategy, physical conditioning, and endurance.
- Balanced rigorous tennis training with academic responsibilities, demonstrating long-term commitment and discipline.

Track & Field — School Athletics 2024 – 2026

- Participated in school-level sprinting, relay races, and athletics events, developing speed, agility, coordination, and teamwork.

Flute — Musical Training 2018 – 2024

- Attended weekly flute lessons for six years, supplementing formal instruction with regular independent practice.

Fine Arts — Origami & Model Making 2015 – 2021

- Learned origami independently through instructional videos, experimenting with different paper-folding techniques.
- Created original miniature figures from scratch, developing creativity and hands-on design skills.
